

Alert Now Enrollment

Alert Now is the system TRA uses to communicate important messages to parents, students, and faculty. The system is used to send messages via email, text, and automated phone call. The Alerts are designed to inform the TRA family about weather delays or cancellations, what's happening at TRA each week, and any other time-sensitive messages. Phone calls are only used in weather-related or emergency situations. Please fill out the enrollment information below.

No Changes

If you are already enrolled in the system and have no changes to your contact information, mark No Changes.
