WORK HARD, PLAY HARD

WORK HARD, PLAY HARD

2014-15 Annual Fund

The TRA Annual Fund is a vital part of our school. This year, the Annual Fund will support the much needed renovations to the playground and the construction of the new recreational area.

The playground will consist of a trike track, climbing mound with slide and tunnels, poured safety surface, an outdoor stage/classroom, musical instruments, free play areas and a shade structure. The existing play structure will remain in this area.

The recreational area will be adjacent to the current parking lot and include a safety crosswalk, a shaded pavilion, raised garden beds, swings, stage/outdoor classroom, walking track, play court, climbing boulders, safety surface, a play lawn with a backstop, seating areas throughout and a climbing structure.
