Room Parent Instructions

2016-2017 School Year

General Instructions:

- Check with the teacher for food allergies at the beginning of the year. If there is a child with a food allergy, please make sure this information is included in any correspondence when planning parties.
- Contact all parents. Please contact all parents in the next week or so and let them know you are the room parent and give your contact information.
- You will be responsible for planning/coordinating all parties. This does not mean you should do it all yourself. Please make every effort to involve all parents and make these events a group effort.
- Keep refreshments simple and inexpensive.
- It is policy to not request from parents a donation of more than \$5.00 per event/ per student.
- If you send notes home, please receive prior approval from the School Principal/Assistant Principal.
- Follow-up phone calls, e-mail or texts are highly encouraged instead of take home notes. You may have a hard time getting responses as we are all busy. Be persistent instead of taking on tasks alone.
- Usually parties are held in the homeroom during the last period. Coordinate with your teacher. Upper school room parents will need to coordinate with teachers as well.
- *When providing food/refreshments for parties/events, you may request parents to send food/drink items or to collect money from each student (<\$5.00) and purchase the items yourself but remember we want to try to give everyone a chance to participate.*

- There are times throughout the year when room parents will be asked to make sure your teacher is able to enjoy a luncheon by having a parent volunteer to sit with the class. You may also be asked to find volunteers to cover shifts and help in class. Please know that it is the responsibility of the room parent to ensure your class has coverage. If you are unable to be there yourself, you are expected to find another parent to help and email the room parent coordinator with this information.
- Please make sure to take note of your teacher's birthday and make sure she knows she is appreciated. On the same note, please make sure your teacher receives a nice gift at the culmination of teacher appreciation week.

Events:

Monthly Munchies:

- Monthly Munchies will be held the 2nd Wednesday of the month. You will need to contact the appropriate school secretary a few weeks ahead of time to confirm that the date has no conflict that would require rescheduling.
- Lunch will be provided in the teacher's lounge.
- See the attached schedule to see when you are responsible and the proposed menu items.
- Room parents of both/all designated classes will need to work together.
- Contact all parents to help. Allow all an opportunity to participate and/or serve.

Fall Carnival:

- Fall Carnival is set for October 1, 2016 from 10:00 am - 2:00 pm. Although details are not finalized, each grade has responsibilities that must be fulfilled to ensure the success of the carnival. This may include having parents sign up for shifts to volunteer during the day or having parents send items in for the carnival.

- Each grade will be responsible for a game. Coordinate with your grade's teachers to decide what your game will be. Each grade will receive a percentage of ticket sales from that grade's game. Get creative! Grades will be responsible for volunteers for their own game. **subject to change
- The silent auction is now with the fall carnival. Each grade is responsible for a silent auction display. In the past, themes were chosen by each grade, and room moms coordinated with parents to collect items and donations that would hopefully fit that theme (although no donations are turned away!). More information will be given soon. Each grade is responsible for setting up that grade's display.

Fall Fundraisers:

- Coupon books will be dispersed at the beginning of the school year. Although you will not have any direct responsibilities for the books as a room mom, please make sure to communicate and encourage your fellow parents to sell their books.
- This year the Pumpkin Decorating Contest will be held during the week prior to Halloween (instead of with the fall carnival). This is an elementary only event. Each grade will decorate a pumpkin that will go on display on Monday, October 24, 2016. Pumpkins will be displayed in the elementary school lobby all week. Room moms are responsible for making sure each grade is represented, but the room mom does not have to be the one to decorate it.

Homecoming- October 3-7, 2016

- 3K-5K- field day. Contact teachers for games and other activities.
- Grades 1-5: Tents should be set up and lunch provided. This can be grilled that day or can boxed lunch type meals. Coordinate with others classes in your grade level. **subject to change
- Grades 6-12: Tents should be set up and food provided. Set up is more elaborate in these grades.

Thanksgiving Party: (3K, 4K and 5K only): contact teachers

Christmas Party: (All Grade Levels)

- Contact Teacher 1st week of December to begin planning. This is usually held the last day before Christmas break begins.
- Party food will be considered the student's lunch for the day.
- Once you have a plan, contact all parents to help.
- Include:
 - Food for party
 - Games/Activities: teachers may have preferences or ideas
 - You may collect \$\$\$ or items for a class gift for teacher or parents may provide individual gifts for the teacher (gifts are optional).

***Families may send more than \$5.00 for teacher gifts if they choose. In the case of gift cards or cash please ask to: "send \$\$\$ or a gift card in an amount that is best for your family." Gifts are the only exception to the \$5.00 donation rule.

Christmas Teacher Luncheon:

- (All grades) You will need to make sure your teacher's lunch period is covered on the day of the luncheon hosted by PTO. This date is not set.

Valentine's Day Party: (Elementary and Middle Grades Only)

- Contact Teacher to coordinate.
- Lower School children usually exchange Valentine's Day cards.
 - Teacher will send home a list of students for your complete list for exchanging cards.

- Once you have a plan, contact all parents to help

Easter: (Lower School Grades Only)

- Contact teacher 2 weeks before the date of the party.
- This is usually held the Thursday before Good Friday (arrangements will be made for 3day students).
- Refreshments of the teacher's and your choice
- Grades 3K-4
 - 2 weeks before the party, teachers will ask the students to bring 1 dozen plastic eggs filled with pre-wrapped candy that will not melt and their Easter basket (if the class has more than 12 students it is best to bring 1 egg per student ie: 15 students ask for 15 eggs).
 - Students participate in an Easter Egg Hunt.
 - Room Parents or Upper School students will hide the eggs for the students. Teachers will give you the location of the egg hunt.
- Grade 5
 - Will not hunt Easter Eggs
 - Will have a party with refreshments and games

Teacher Appreciation:

- Every day during the week of May 1-5, 2016, we will show our appreciation to our teachers. Additional details will be provided closer to time. Room parents will need to make sure that their teachers' lunch periods are covered on the day of the luncheon.

Grandparent's Day Reception: (Lower School Grades Only)

- This is usually held on the Friday before Spring Break begins.
- Music teacher will decide on the theme of the program/Grandparent's reception.
- Teachers may need assistance with crafts/gifts for Grandparents.
- Prepared as a tea
 - The grandparents' reception is held in the classroom. Room parents will need to set-up, serve and clean-up.
 - Provide tablecloths, centerpiece, plates, napkins, cups, etc.
 - Keep food/beverages simple. Many Grandparents have more than one room to visit and spend a short time in each classroom.
- Grandparents are invited to join students in their classrooms and to the spring book fair before or after the program (exact schedule may vary by grade).

**Thank you in advance for your support, time,
and dedication to TRA!**
